

KWF Kids Zone!
June 9th-11th
Soldotna Creek Park

Thank you for your interest in providing an educational activity at the Kenai River Festival's KWF Kid's Zone! The festival mission is to celebrate the Kenai River while engaging people to learn more about how to protect the river for the future. There are new festival aspects that we are excited to have your support on this year:

- **All educational activities must relate to the festival mission.** If you would like assistance developing an activity that relates to rivers, fish, watersheds and their protection, please let us know. We are more than willing to help!
- **Helium balloons will not be allowed at the festival.** Helium itself is a non-renewable resource and the balloon/string can become litter and greatly impact wildlife (choking hazard) if released. Non-helium balloons on a wooden stick are acceptable.
- **Fundraising is not allowed at the festival.** Membership recruitment is welcomed and suggested.
- **The festival is a pet free zone.** For everyone's safety, pets are not allowed on the festival grounds. Even the most stable pet can become unpredictable in a crowd. If you see pets in the festival, please inform the pet owner and/or contact festival security at the KWF Welcome Tent.
- **Festival promotion is welcomed.** Please share information on the festival and invite your members/supporters to visit your activity at the event. A variety of materials will be provided to do so.
